**Box SEQUENCE**

Sir:

Applicants hereby request that the computer-readable form of the Sequence Listing, filed in Applicants' co-pending U.S. Patent Application No. 09/529,064, filed April 7, 2000, be used in the above-referenced case.

Applicants note that a revised computer-readable form of the Sequence Listing (and paper copy) was submitted in co-pending Application No. 09/529,064 on September 20, 2000, in accordance with 37 C.F.R. §1.821(g).

Continuation Application of  
U.S. Appln. No. 09/529,064

The undersigned hereby states that:

1. the content of the attached paper copy and the contents of the computer readable form of the Sequence Listing, submitted in co-pending Application No. 09/529,064 in accordance with 37 C.F.R. § 1.821(g), are the same; and
2. all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent resulting therefrom.

Respectfully submitted,
